YOUR CHILD WAS CREATED FOR **MORE.**

WHAT “MORE” LOOKS LIKE HERE.

At The Remnant Youth, students open Scripture, take part in meaningful discussion, work through creative projects, and practice real responsibility. We want them to be known, surrounded by healthy relationships, challenged to grow, and encouraged to become who God created them to be.

That's why The Remnant Youth exists.

FIND THE RIGHT FIT. THREE PROGRAMS.

ONE CHRIST-CENTERED COMMUNITY.

Start with your child's grade, interests, and the environment where they will thrive.

WHAT MAKES THE REMNANT DIFFERENT

The Remnant brings faith, leadership, practical learning, and athletics together in intentionally small programs created for homeschool families.

01

FAITH WOVEN THROUGH EVERYTHING

Biblical truth is woven into the rhythm of each program—not confined to a separate lesson.

02

FORMATION BEFORE PERFORMANCE

We focus on who students are becoming: their identity, character, discipline, judgment, and willingness to lead well.

03

LEARNING THAT BECOMES PRACTICE

Students move from discussion into projects, presentations, decisions, teamwork, service, and real responsibility.

04

DIFFERENT PATHWAYS, ONE VISION

Leadership development, elementary enrichment, and basketball offer distinct experiences built around the same commitment to faith and growth.

05

CREATED FOR HOMESCHOOL FAMILIES

Weekly programs add structured community, mentorship, practical development, and meaningful peer relationships alongside each family's homeschool education.

MEET THE FOUNDERS

THE PEOPLE WHO PERSONALLY LEAD THE WORK.

KEVIN ROBERTS
COACH

STEPHANIE ROBERTS
INSTRUCTOR

PERSONAL LEADERSHIP IS PART OF THE PROGRAM.

The Remnant Youth is led directly by its founders. Each program is personally led by one of us, allowing families to know who is guiding their child and giving us the opportunity to know each student personally.

KEVIN ROBERTS
COACH

Kevin leads The Remnant 3x3 Academy, using basketball to develop skill, discipline, decision-making, teamwork, and confidence. Through instruction, competitive play, and mentorship, he helps players grow in faith, preparation, responsibility, and character—on the court and beyond it.

STEPHANIE ROBERTS
INSTRUCTOR

Stephanie leads faith-centered instruction and leadership development across The Remnant Youth programs. Through Scripture, discussion, creative projects, communication practice, and real-world application, she helps students strengthen identity, character, confidence, and purpose while building a learning environment where families feel informed and students are personally supported.

OUR COMMITMENT

To lead with consistency, communicate clearly with families, and model the faith, character, and responsibility we ask students to develop.

THIS IS WHAT GROWTH LOOKS LIKE.

STRUCTURED ENOUGH TO GROW.

PERSONAL ENOUGH TO BELONG.

A RHYTHM THAT MOVES STUDENTS FORWARD

Every program looks different. The experience is consistent.

01 CONNECT

Build friendships. Feel known.
Become part of the community.

02 LEARN

Engage Scripture, instruction,
discussion, and new ideas.

03 PRACTICE

Communicate, collaborate, create,
and develop meaningful skills.

04 LEAD

Take responsibility, encourage others,
and grow in confidence.

KNOWN PERSONALLY. CHALLENGED INTENTIONALLY.
